Subd. 2. Levels of Grievance.

Level 1. In the event the alleged grievance is not settled through an informal discussion, a written grievance shall be submitted to the administrator involved. This written grievance may be presented by the aggrieved person individually, jointly with the representative of the Local 70, or by the Local 70 representative. Within ten (10) days of receipt of the grievance by the administrator involved, he or she shall render a decision in writing.

Level 2. In the event the aggrieved person or persons are not satisfied with the disposition of the grievance at Level 1, the employee may appeal the grievance by filing the same grievance with the superintendent of schools within ten (10) days after receiving the decision.

A decision in writing shall be rendered by the Board within ten (10) days of the hearing or following the next regularly scheduled Board meeting.

Section 5. Miscellaneous.

Subd. 1. The grievance may be withdrawn by the aggrieved person at any level in writing without prejudice.

Subd. 2. Failure to file an appeal from one level to another within the time limits herein prescribed shall constitute a waiver of the grievance.

Subd. 3. No reprisal of any kind shall be taken by or against any party of interest or participant in the grievance procedure by reason of such participation, except that such participation shall not give immunity for wrong-doings, ethics violations or any other charges that may result from information disclosed during the grievance procedure.

Subd. 6. If an employee does not file a grievance in writing within twenty (20) days after the occurrence, then the grievance shall be considered as waived. The administration may, upon the request of the
Aggrieved person or his/her representatives, waive this section on behalf of the employee.

A. "Occurrence" for the purpose of this grievance procedure shall be defined as the act when the aggrieved action is taken by the Board of Education, administration, or official resolution or motion passed by the Board of Education declaring their intent to carry out an act at some future date. The period of time in which to file a grievance shall commence to run when the aggrieved party learns of the alleged aggrieved action.

Subd. 7. It shall be the general practice of all parties in interest to process grievance procedures during times which do not interfere with the assignment of duties. Not more than 6 days absence for any reason shall be credited for the purpose of computing the probationary period. Upon the satisfactory completion of the
probationary period, the employee shall be entitled to seniority standing from most recent date of hire by the district.

Subd. 2. Upon transfer from one position to another, the school district shall, at its discretion, have a sixty (60) working days probationary period for the employee in the new position. Such probationary period may be extended to six (6) months by written agreement by the union and school district. During such period, the employee may be returned to her/his former position for reasons, which will include inability to perform job requirements and/or meet performance standards, as determined by the school district. If the employee's former position no longer exists, the employee shall have the right to bump (displace) any employee in the same classification with less seniority or an employee in a lower classification who has less unit seniority. The provisions in Article VII Section 1, Subd. B, and Section 5 apply in the implementation of this subdivision.

Section 2. Loss of Seniority.

Subd. 1. Seniority shall be lost by any of the following:

1. Voluntary quit.
2. Discharge.
3. Failure to report for work within seven (7) working days of mailing notification of recall from layoff.
4. Layoff for more than 12 months.

Subd. 2. Promotional Seniority. If an employee is assigned to a supervisory/confidential position with the school district, that employee will retain their bargaining unit/classification seniority at the time of their promotion for 12 months, but shall not earn additional seniority time. The 12 months may be extended by mutual agreement of the school district and the union but under no circumstances will the time exceed five (5) calendar years.
Section 3. Layoff.

Subd. 1. Definitions.

1. Classification Seniority shall be defined as the length of service an employee has served in a particular classification.

2. Unit Seniority shall be defined as the total length of service from most recent date of hire, an employee has with the school district in all positions covered by this Agreement.

Subd. 2. Notification. In the event lay-off becomes necessary the school district shall notify the Union Office and the employees involved at the earliest opportunity.

Subd. 3. Lay-Off. In the event of a lay-off it shall be by classification. The employee with the least seniority in a particular classification shall be considered for lay-off first. When a position is eliminated the employee in that position shall have the right to bump (displace) any employee in the same classification with less seniority or any employee in a lower classification who has less unit seniority. The provisions in Section 1, Subd. 2, and Section 5 of this Article apply in the implementation of this subdivision.

Subd. 4. Recall. Employees shall be recalled in the reverse order of lay-off; the last employee laid off shall be the first recalled.

Subd. 5. Temporary Lay-Off. This section does not apply in those cases where a lay-off is due to a building being closed temporarily because of equipment breakdown quarantine, loss of a utility or damages from natural or unnatural disasters.

Section 4. Job Openings.

Subd. 1. Posting. In the event of a job opening and/or a new position, said job opening and/or new position will be posted within five (5) working days of event. The job shall be posted electronically for a period of five (5) working days, and filled within fourteen (14) working days. Bargaining unit members shall be given the opportunity to bid for
job openings. Employees who desire to be notified of posted vacancies while on a leave of absence must notify the district personnel office in writing two weeks prior to start of said leave. Employees shall provide postage ready, self-addressed envelopes if they desire to be notified by mail.

Subd. 2. Filling Vacancies. When an employee bids for a position in the same or a lower classification, seniority will be the main factor in filling the vacancy. The school district Human Resources Personnel may also consider other qualifications. These other qualifications shall include satisfactory performance reviews within the preceding years.

When an employee bids for a position in a higher classification the employer will fill the position with the most qualified employee from the unit, however, the District Human Resource Office reserves the right to hire outside the unit if such an applicant is more qualified. Under any circumstances if qualifications are substantially equal the District Human Resource Office will give preference to the senior employee. An employee not given a position may request a written explanation.

Section 5. Transfers. Transfers due to temporary organizational changes, difficulties in the employee's employment, physical or mental inability to perform duties may be made by the employer for cause without the employee's consent. If a situation should occur where there is cause for an employee to be transferred, the employer shall notify the employee involved in writing with a copy to the union, of the specific reasons why a transfer is necessary, the employer shall also include a list of current positions for which the employee who is to be transferred would be qualified. Employees who are in positions that the employee being transferred qualifies for shall in the order of seniority have the right to voluntarily change positions. Should no employee in one of these positions voluntarily transfer, the employee with the least seniority shall be required to make the transfer.

Section 6. Seniority List. The employer agrees to prepare and post a seniority list covering all employees in the classifications covered by the Agreement. The seniority list shall be prepared and posted every year. Unless a written and dated statement challenging the seniority standing of any employee is filed within fifteen (15) working days after the date the seniority list is posted, the seniority standing of the employees as shown on such seniority list shall
be deemed to be correct. The Union Steward shall be furnished in January of each year a current list of employees in the bargaining unit showing their date of hire and position held. Upon request of the Union Steward, the seniority list shall be updated.

Section 7. Seniority Ties. In the event more than one employee has the same seniority date, seniority ranking shall be determined by a random drawing conducted by the union. The school district shall have the right to have a representative present during the drawing.

ARTICLE 8 – GENERAL

Section 1. Qualifications. Employees whose mental or physical condition make it impossible for them to satisfactorily do their duties may be continued in service at the option of the employer. Determination of fitness shall be the sole responsibility of the employer.

Section 2. Physical Examinations. Physical examinations shall be required of all new employees at their own expense.

Section 3. In-service. The employer agrees to encourage employees to obtain training in areas related to the duties of this bargaining unit. When the employer sponsors and/or offers educational and/or training opportunities all employees will be notified and given the opportunity to be considered for participating. The employer shall have the sole right to determine the number of employees to be released from scheduled work time for in-service. A change in hours with less than five (5) days’ notice may be done with mutual consent of the employee and the district.

Subd. 2. New Position. Both parties agree the school district has the right to determine the duties and hours of each position. If the school district should permanently (more than sixty (60) calendar days) change the scheduled hours by more than one (1) hour and/or change the location (from one building to another, not including temporary buildings) or substantially change the type of duties performed, the union may ask this be declared a new position and be duly posted. Substantial changes may include but not be limited to; the type of work performed, changes in the amount of work, increase in the number of persons reporting to, job expectations, and equipment required to perform the job.

When school is closed early, secretarial/clerical employees required to remain in their buildings will be paid at a rate of one and one half(1-1/2) times the regular rate of pay for the time worked after the official close of school.
