Such coverage shall cease if the retired employee becomes eligible for insurance coverage from another employer.

Subd. 2 - When an employee reaches Medicare eligibility by virtue of employment status and age, the school district shall make available a Medicare supplement plan in the form of a guaranteed conversion policy to the retiree at the retiree’s expense.

Subd. 3 - For those employees who retire without ten consecutive years of service immediately preceding retirement, the school board shall continue the group health and hospitalization plan for those who elect such coverage and who are between the ages of 62 and 65. For employees electing to participate in the high deductible/HRA/VEBA option, there shall be no district contribution to a VEBA.
**Subd. 4** - Employees who begin work on or after November 3, 1997, shall be ineligible for district paid retiree insurance. Effective July 1, 2009, employees hired on or after November 3, 1997, who are not eligible for retiree insurance, but meet the requirements for district paid health insurance, will receive a district contribution of $500 to be deposited into a district designated post-retirement Health Care Savings Plan (HCSP) at the conclusion of each school year, and no later than June 30.

**Subd. 5** - The school board shall continue the group health and hospitalization plan and provide the full premium cost for all eligible surviving dependents of an employee who dies while actively working in District 834. Such coverage shall extend for one calendar year from the date of the employee’s death. In cases where the employee was enrolled in the high deductible/HRA/VEBA option, there shall be no district contribution to the VEBA.

**Section 2 – Retirement Pay**

The school board shall provide retirement pay to employees who retire from District 834 according to the following provisions:

**Subd. 1** - Employees who begin work on and after November 3, 1997, shall not be entitled to benefits provided in this Section.

**Subd. 2** - An employee who has completed at least ten years of consecutive and permanent/active service who retires at the age of 55 or older, shall receive an amount equal to 100% of the employee’s number of unused accrued sick leave days, times the employee’s current daily rate, not to exceed a maximum of 100 days pay, upon separation from the School District. In no event shall the employee’s retirement pay be less than 50 days.

**Subd. 3** - Retirement pay shall not be provided to any employee discharged for cause by the school board.

**Subd. 4** - Under the terms of this contract, the district will make payment to the designated, 403(b), 457, or Healthcare Savings Account as provided in the Special Pay Deferral Plan and the Healthcare Savings Plan, and in accordance with state and federal laws. The school district will contribute the value of 100% of the employee’s retirement pay entitlement directly into the retiree’s Special Pay Deferral Plan account.

**Subd. 5** - If the employee dies before the retirement payment has been made, the balance due shall be paid to a named beneficiary, or lacking same, to the estate of the deceased.

**Subd. 6** - An employee who is eligible for retirement pay may receive such pay only once during their working career with the District.

**Section 3 – Matching Tax Deferred Plan**

Full time employee shall be entitled to a matching school district contribution of up to 3% of their current annual salary, not to exceed $2000 per year, to a tax deferred account, subject to Minnesota Statutes.
Subd. 1 - The district contribution will begin when the employee establishes participation in an eligible investment program as defined by Minnesota Statute. The district match cannot be accumulated on a retroactive basis if an employee elects to begin participation after the first year of eligibility.

Subd. 2 - Changes or initial entry into the plan shall occur on the first pay day following the date information is received by the Human Resources Department.

Subd. 3 - Employees hired prior to November 3, 1997, who elect to participate in the matching tax deferred plan, may do so with the amount of matching board contribution being deducted from their final retirement pay amount.

**ARTICLE XIII – WORKER’S COMPENSATION**

An employee who is injured on the job shall receive such compensation as prescribed by the Worker's Compensation Law of Minnesota. Such compensation shall be supplemented with an amount sufficient to maintain his regular salary for a period not to exceed the employee's sick leave reserve.

**ARTICLE XIV – DISCIPLINE/GRIEVANCE PROCEDURE**

**Section 1 – Progressive Discipline**

The school district recognizes the concept of progressive discipline as appropriate. Progressive discipline may include, but is not limited to, oral reprimand, written reprimand, notice of deficiency, suspension without pay, or discharge. The district reserves the right to exercise a level of discipline consistent with the seriousness of the infraction.

**Section 2 – Grievance Definitions**

A "grievance" shall mean an allegation by an employee or the exclusive representative resulting in a dispute or disagreement between the employee or the exclusive representative and the school board as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this agreement.

**Section 3 – Representative**

The employee, exclusive representative, administrator, or school board may be represented during any step of the procedure by any person or agent designated by such party to act in his behalf.

**Section 4 – Definitions And Interpretations**

Subd. 1 - Extension - Time limits specified in this agreement may be extended by mutual agreement.
Subd. 2 - Days - Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law.

Subd. 3 - Computation of Time - In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday.

Subd. 4 - Filing and Postmark - The filing or service of any notice or document herein shall be timely if it bears a dated postmark of the United States mail within the time period.

Subd. 5 - The employee or the exclusive representative and the school board or its designee may waive any level of this procedure by written mutual agreement.

Subd. 6 - Notwithstanding the action of any employee, the exclusive representative shall be informed of all formal grievances, and shall receive a copy of all grievances, decisions and appeals.

Subd. 7 - All meetings or hearings provided for in this grievance and arbitration procedure shall be conducted at a mutually agreeable time and employees who participate in such meetings or hearings shall not be deducted wages or leave credit for such participation.

Section 5 – Time Limitation And Waivers

Grievances shall not be valid for consideration unless the grievance is submitted in writing to the immediate supervisor setting forth the facts and the specific provision of the agreement allegedly violated and the particular relief sought within 20 days after the date the event giving rise to the grievance occurred.

Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereinafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the immediate supervisor.

Section 6 – Adjustment Of Grievance

The school board and the employee or the exclusive representative shall attempt to adjust all grievances which may arise during the course of employment of any employee within the school district in the following manner:

Subd. 1 - Level I - If the grievance is not resolved through informal discussions, the school board designee shall give a written decision on the grievance to the parties involved within ten days after receipt of the written grievance.

Subd. 2 - Level II - In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the superintendent of schools, provided such appeal is made in writing within ten days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or their designee shall set a time to
meet regarding the grievance within 15 days after receipt of the appeal. Within ten days after the meeting, the Superintendent or their designee shall issue a decision in writing to the parties involved.

Subd. 3 - Level III - In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the school board, provided such appeal is made in writing ten days after receipt of the decision in Level II. If a grievance is properly appealed to the school board, the school board will set a time to hear the grievance within 20 days after receipt of the appeal.

Within 20 days after the meeting, the school board shall issue its decision in writing to the parties involved. At the option of the school board, a committee or representative(s) of the school board may be designated by the school board to hear the appeal at this level, and report its findings and recommendations to the school board. The school board shall then render its decision.

Section 7 – School Board Review

The school board reserves the right to review any decision issued under Level I or Level II of this procedure provided that the school board or its representative notify the parties of its intention to review within ten days after the decision has been rendered. In the event the school board reviews a grievance under this section, the school board reserves the right to reverse or modify such decision, provided such decision is issued within ten days of notification.

Section 8 – Denial of Grievance

Failure by the school board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal to the next level. In the event that a meeting of the parties has not taken place, either party shall be granted one meeting of the parties involved to negotiate in good faith prior to proceeding to arbitration.

Section 9 – Arbitration Procedures

In the event that the employee or the exclusive representative and the school board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1 - Request - A request to submit a grievance to arbitration must be in writing signed by the aggrieved party and the exclusive representative and such request must be filed in the office of the Superintendent within ten days following receipt of the decision in Level III of the grievance procedure.

Subd. 2 - Prior Procedure Required - No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.
Subd. 3 - Selection of Arbitrator - Upon proper submission of a grievance under the terms of this procedure, the parties shall within ten days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the PERB to appoint an arbitrator pursuant to MS 179.70, Subd. 4, providing such request is made within 20 days after the request for arbitration. The request shall ask that the appointment be made within 30 days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from PERB within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4 - Submission of Grievance Information
   a. Upon appointment of the arbitrator, the appealing party shall, within five days after notice of appointment, forward to the arbitrator, with a copy to the school board the following:
      1. The issue involved
      2. statement of facts
      3. Position of the grievant
      4. the written documents relating to Section 6 of the grievance procedure

   b. The school board may make a similar submission of information relating to the grievance either before or at the time of the hearing.

Subd. 5 - Hearing - The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 6 - Decision - The decision by the arbitrator shall be rendered within 30 days after the close of the hearing. Decisions by the arbitrator in cases properly before him shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided in the P.E.L.R.A. of 1971.

Subd. 7 - Expenses - Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses, which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party.

The parties shall share equally fees and expenses of the arbitrator, the cost of transcript or recording if requested by either or both parties, and any other expenses, which the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 8 - Jurisdiction - The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedures as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion
or policy as the functions and programs of the employer, its overall budget, utilization of
technology, the organizational structure, and selection and direction and number of
personnel. In considering any issue in dispute, in its order, the arbitrator shall give due
consideration to the statutory rights and obligations of the public school board to efficiently
manage and conduct its operation within the legal limitations surrounding the financing of
such operations.

MEMORANDUM OF UNDERSTANDING

It is hereby agreed and mutually understood that effective July 1, 2017, the District will be changing the way in which payroll is processed in order to provide payment to employees on the 15th and the last day of the month. Additionally, effective July 1, 2018, custodial employees will transition to being paid two weeks behind, via an electronic time tracking system.

In order to accommodate this change, by vote of the members of the International Union of Operating Engineers, Local No. 70 and mutual agreement with the District, the 2017-2018 annual pay for custodians shall be divided over 25 pay periods. Custodians will be paid twice per month on the 15th and the last day of the month, with an additional pay period on July 5, 2017.

Additionally, in order to bridge the transition to pay via electronic time tracking system, effective July 1, 2018, custodians will defer any payment of an increase in pay for 2017-2018, with such payment being made in a lump sum on July 13, 2018.

MEMORANDUM OF UNDERSTANDING

Due to the fact that the Custodial Master Contract had not been ratified, the District and the union mutually agreed to terms, provided in an MOU dated June 12, 2017, related to changing the way the District processes payroll. Specifically, effective July 1, 2017, the District transitioned to paying all employees on the 15th and the last day of the month, with custodians transitioning to being paid two weeks behind, effective July 1, 2018, via an electronic time tracking system.

In order to accommodate this change, by vote of the members of the International Union of Operating Engineers, Local No. 70 and mutual agreement with the District, a change was made to divide the 2017-2018 annual pay for custodians over 25 pay periods. As a part of this agreement, effective July 1, 2017, custodians were set up to be paid twice per month on the 15th and the last day of the month, with an additional pay period on July 5, 2017.

Lastly, as in order to bridge the transition to pay via electronic time tracking system, it was agreement that custodians would defer any payment of any increase in pay for 2017-2018, resulting from the ratification of the 2017-19 Master Contract, with such payment being made in a lump sum on July 13, 2018.

As a part of the ratification of the Custodial Master Contract, it was agreed that there would be no increase in the salary schedule for the 2017-18 school year. As a result, the only resulting increase in pay is for those custodians who experience a step on the salary schedule, retroactively to July 1, 2017.

It is hereby agreed as follows:

1. With the ratification of the 2017-19 Custodial Master Contract, the MOU dated June 12, 2017 is null and void; and

2. Custodians who experience a step on the salary schedule, retro-actively, will receive payment for such step on their March 30, 2018 payroll check.
