ARTICLE 8  LEAVES OF ABSENCE

Section 1  Sick Leave

Subd. 1  A full-time employee shall earn sick leave at the rate of one and one-half (1 ½) days for each
month of service in the employ of the School District with unlimited sick leave except as stated in Sub. 8 of
this section. Annual sick leave shall accrue monthly as it is earned on a proportionate basis to the employee’s
work year.

Subd. 2  The following sick leave plan will apply to those employees hired after July 1, 1980:

1. Unused sick leave days may accumulate to a maximum credit of one hundred thirty-five
135) days of sick leave per employee. The School District shall furnish to each employee, upon his/her request, a written statement showing the total sick leave credit.

2. Sick leave bonus of up to fifteen (15) days will be available to an employee in his/her last year of employment prior to retirement. These bonus days may be used to keep the employee as close as possible to the maximum accumulation of one hundred thirty-five (135) days.

3. The number of bonus day credits to the employee's sick leave account will vary according to the individual employee's situation, but in no case shall the bonus days be more than fifteen (15) nor may the total accumulation exceed one hundred thirty-five (135) days.

Subd. 3 Sick leave with pay shall be allowed whenever an employee's absence is found to have been due to illness, which prevented his/her attendance and performance of duties on that day or days.

Subd. 4 Medical Certificate. In case of repeated or extended absences, the School District may require an employee to furnish a medical certificate from a qualified physician as evidence of illness, indicating such absence was due to illness in order to qualify for sick leave pay. In the event that a medical certificate will be required, the employee will be so advised.

Subd. 5 Sick leave allowed shall be deducted from the accrued sick leave days earned by the employee.

Subd. 6 A custodian may use sick leave for the care of a sick child, spouse or parent under the same terms and conditions as the custodian would use sick leave for his or her own illness.

Subd. 7 All sick leave in accord with this section shall run concurrent with FMLA leave if the sick leave is the result of an FMLA qualifying event.

Subd. 8 Sick leave pay shall be approved only upon submission of a signed request upon the authorized sick leave pay request form available at the office.

Subd. 9 Childcare Leave. A childcare leave may be granted by the School District subject to the provisions of this subdivision. Childcare leave may be granted because of the need to prepare and provide parental care for a child or children of the employee for an extended period of time.

An employee making application for a childcare leave shall inform the Superintendent in writing of the intention to take the leave at least three (3) calendar months before commencement of the intended leave.

If the reason for the childcare leave is occasioned by pregnancy, an employee may elect to utilize sick leave pursuant to the sick leave provisions of this Agreement in lieu of seeking a childcare leave pursuant to this subdivision. An employee shall be eligible for only one of the options provided herein. A pregnant employee will also provide, at the time of the leave application, a statement from her physician indicating the expected date of delivery.

The School District may adjust the proposed beginning or ending date of a childcare leave so that the dates of the leave are coincident with some natural break in the school year; i.e., winter vacation, spring vacation, semester or quarter break, end of the school year, or the like.

In making a determination concerning the commencement and duration of a childcare leave, the School Board shall not, in any event, be required to:

1. Grant any leave more than twelve (12) months in duration.

2. Permit the employee to return to his/her employment prior to the date
designated in the request for childcare leave.

If the same position is available, then the returning employee shall be assigned to the original position.

Failure of the employee to return pursuant to the date determined under this section shall constitute grounds for termination unless the employee and the School District mutually agree to an extension in the leave.

The parties agree that the applicable periods of probation for the employee as set forth in the contract are intended to be periods of actual service enabling the School District to have opportunity to evaluate an employee's performance. The parties agree, therefore, that periods of time for which the employee is on child care leave shall not be counted in determining the completion of the probationary period.

An employee who returns from childcare leave within the provisions of this subdivision shall earn that salary as defined by the contract in effect at the time of the employee's return to service.

If any part of approved childcare leave is other than paid childcare leave, or a qualifying FMLA event, that portion will be without wages or district paid benefits. If the leave is the result of an FMLA qualifying event, FMLA leave will run concurrently beginning with the first day of such leave.

Subd. 10 An employee, with a hire date prior to July 1, 2017, upon retirement, shall be entitled to payment of hospitalization and medical care premiums with a maximum of one hundred thirty-five (135) days sick leave accumulation, provided that he/she has reached retirement age and has worked ten (10) years continuously for the School District immediately prior to his/her retirement. The employee shall receive qualified cash retirement benefits of 50% of accumulated sick days (maximum 68 days) on January 15 of the calendar year following his/her retirement date. The remaining 50% of accumulated sick leave days (maximum 67 days) will be deposited into the retiree's Minnesota State Retirement System (MSRS) Post-Retirement Health Care Savings Plan (HCSP) 30 days following retirement.

Employees with less than ten (10) years employment shall be prorated.

Subd. 11 In the case of the death of a school district employee who would have qualified for benefits under the sick leave reserve fund on his/her retirement, his/her beneficiary or estate, as named and filed with the district office, will be entitled to the cash value of the deceased employee's sick leave reserve the employee would have received had he/she retired. Determination of eligibility in each case is to be determined by the school district.

Subd. 12 In the case of the death of a retired employee who had insurance values remaining in the school district, in accord with Subd. 10 of this section, the cash values of remaining health and hospitalization fund shall be provided the deceased employee's beneficiary or estate as named and filed with the district office.

Section 2 Worker's Compensation
Pursuant to M.S. 176, an employee injured on the job in the service of the School District and collecting workers compensation insurance may draw sick leave and receive full salary from the School District, his/her salary to be reduced by an amount equal to the insurance payments and only that fraction of the days not covered by insurance will be deducted from his/her accrued sick leave.
Section 3  Bereavement
Up to five days leave shall be allowed with pay for the death in the employee’s immediate family. Two of the five
days will be subject to the discretion of the Superintendent depending on the circumstances. Immediate family
is defined as the employee’s, and the employee’s spouse, child, parent, brother, sister, grandparent,
grandchild, and step-relationships of family members as named in this section, or other relative living in the
same household as the employee.

Subd. 1  If an employee is required to be a pall bearer, he/she shall be entitled to one (1) day leave of
absence, with leave to be charged to sick leave.

Section 4  Medical Leave

Subd. 1  An employee who has completed his/her probationary period and who is unable to perform
his/her duties because of illness or injury and who has exhausted all sick leave credit
available or has become eligible for long-term disability compensation may, upon request, be
granted a medical leave of absence, without pay, up to six (5) months. This leave may be
renewed at the discretion of the School District. All leave under this section shall be considered to
run concurrent with FMLA (Family Medical Leave Act).

Subd. 2  A request for leave of absence, or renewal thereof, under this section shall be accompanied by a
written doctor’s statement outlining the condition of the health and estimated time at which the
employee is expected to be able to assume his/her normal responsibilities.

Section 5  Insurance Application
An employee on unpaid leave is eligible to continue to participate in group insurance programs if permitted
under the insurance policy provisions. The employee shall pay the entire premium for such insurance
commencing with the beginning of the leave, and shall pay to the School District the monthly premiums in
advance, except as provided for by FMLA.

Section 6  Credit
An employee who returns from unpaid leave shall retain seniority credit for pay purposes and other benefits
which he/she had accrued at the time he/she went on leave. No credit shall accrue for the period of time that
an employee was on unpaid leave.

Section 7  Eligibility
Benefits will be provided for an employee working more than fourteen (14) hours per week or 35% of work week
or sixty-seven (67) days per year but less than full-time on a prorated basis.

Section 8  Family Illness
The employee shall be allowed up to five (5) days for illness in the immediate family, other than spouse or
child, with prior approval from the superintendent or the director of maintenance. Such leave shall be
deducted from the accumulated sick leave. Immediate family, other than spouse or child, as defined in section

as an employee, or a catastrophic illness of employee’s spouse or child, and the employee is within two years of
retirement in accord with PERA criteria, and who has reached the maximum allowable sick leave accrual prior
