Subd. 2. Any employee requesting maternity/paternity or adoption leave shall give such notice, except in case of emergency, at least 30 days prior to the date on which the leave is to begin. The notice should also indicate the intended date of return to employment. Every reasonable effort should be made to abide by these dates.

Subd. 3. Any employee parent-to-be may request parental leave in writing to the Board, and such leave shall be granted under the following conditions:

A. An employee parent-to-be shall be entitled, upon request, to a leave to begin at any time between the commencement of the pregnancy or adoption and one year after a child is born or adopted. The request shall include either a physician's statement certifying the pregnancy, a copy of the birth certificate, or a copy of notification of adoption.

Subd. 4. All or any portion of a leave taken by an employee because of disability cause or contributed by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom are, for all job-related purposes, temporary disabilities and may, at the employee's option, be charged to her available sick leave, providing the employee has not been on unpaid leave of absence immediately prior to her disability.

Subd. 5. If the Board has cause to believe that improper use of sick leave has been made, it may require an employee to provide medical evidence of illness.

Subd. 6. If an employee desires to return to active employment and notifies the Board within six months from the date the leave began, said employee shall, within 30 calendar days after receipt of the notice by the Board, be assigned to the same position, if it exists which was held at the time the leave commenced.

The substitute employee who is filling the position of the person on leave shall be terminated upon the regular employee's return from leave.

Subd. 2. Computation of Time. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included.

The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday.

Subd. 3. Days. Days mean calendar days excluding Saturdays, Sundays, and legal holidays as defined by Minnesota Statutes.
Subd. 4. Extension. Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 5. Filing and Postmark. The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a postmark of the United States Postal Service within the time period.

Subd. 6. Grievance. Grievance means a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement.

Subd. 7. Informal Procedure. An effort shall be made to resolve the alleged grievance informally between the Union, the employee and the appropriate employee supervisor. When the alleged grievance involves an employee's pay, the informal discussion will be between the Union, the employee, and the superintendent, thereby waiving Level I of the grievance procedure.

Subd. 8. Level I. The "Building Level" of the grievance procedure.

Subd. 9. Level II. The "District Office Level" of the grievance procedure.

Subd. 10. Level III. The "School Board Level" of the grievance procedure.

Subd. 11. Level IV. The "Arbitration Level" of the grievance procedure.

Section 2. Representative. The administrator or Board may be represented during any step of the grievance procedure by any person or agent designated by such party to act in his/her/its behalf. The employee will be represented during any step of the grievance procedure by the Union or its designee.

Section 3. Time Limitation and Waiver. Grievances shall not be valid for consideration unless the grievance is submitted in writing to the Board's designee, setting forth the facts and the specific provision(s) of the Agreement allegedly violated and the particular relief(s) sought within 20 days after the date the event giving rise to the grievance occurred, or through reasonable diligence should have had knowledge of the occurrence.
Subd. 1. Failure to file any grievance within such 20-day period shall be deemed a waiver thereof.

Subd. 2. Failure to appeal a grievance from one Level to another within the time periods hereafter provided shall constitute a waiver of the grievance.

Section 4. Adjustments of Grievance. The Board and the Association shall attempt to adjust all grievances which may arise during the course of employment of any employee within the District in the following manner:

Subd. 1. Informal Level. Within the first 10 days of the 20-day limitation period explained in Section 3 of this Article, an effort shall be made to resolve the alleged grievance informally between the Union, the employee, and the Board's designee.

Subd. 2. Level I. During any of the 10 days after the tenth day of the Informal Level, the grievance may be reduced to writing.

If the grievance is not resolved through informal discussions, the Board's designee, as designated at the beginning of the school year in writing to the Union, shall give a written answer on the grievance to the parties involved within ten days after receipt of the written grievance.

Subd. 3. Level II. In the event the grievance is not resolved in Level I, the answer rendered may be appealed to the superintendent, provided such appeal is made in writing within ten (10) days after receipt of the answer in Level I. If a grievance is properly appealed to the superintendent or his designee shall issue an answer in writing to the employee and the Union. Within five (5) days after the meeting, the Superintendent or his designee shall issue an answer in writing to the employee and the Union.

Subd. 4. Level III. In the event the grievance is not resolved in Level II, the answer rendered may be appealed to the Board, provided such appeal is made in writing within fifteen (15) days after receipt of the answer in Level II. If the grievance is properly appealed to the Board, the Board shall set a time to hear the grievance within 15 days after receipt of the appeal. Within fifteen (15) days after the meeting, the
Board shall issue its answer in writing to the employee and the Union. At the option of the Board, a committee or representative(s) of the Board may be designated by the Board to hear the appeal at this Level and report its findings and recommendations to the Board. The Board shall then render its answer.

Section 5. Denial of Grievance. Failure by the Board's representative to issue an answer within the time periods provided herein shall constitute a denial of the grievance, and the Union may appeal it to the next Level.

Section 6. Board Review. The Board reserves the right to review and answer under Level I or Level II of this procedure, provided the Board or its representative notified the employee and the Union of its intentions to review within five (5) days after the answer has been rendered. In the event the Board reviews a grievance under this Section, the Board reserves the right to reverse or modify such decision, before the grievance moved to Level III.

Section 7. Arbitration Procedures. In the event that the Union and the Board are unable to resolve any grievance, the grievance may be submitted to arbitration (Level IV) as defined herein.

Subd. 1. Request. A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the superintendent within fifteen (15) days following the answer to Level III of the grievance procedure. Failure to request an arbitrator within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 2. Selection of Arbitrator. Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within five (5) days after the request to arbitrate, attempt to select a mutually acceptable arbitrator to hear and decide on the grievance. If the parties are unable to agree on the arbitrator, they may request from the Director of the Bureau of Mediation Services, State of Minnesota, a list of five names, which shall be made up of qualified arbitrators who have submitted applications to the Bureau.
The parties shall alternately strike names from the list of five arbitrators until only one name remains, the arbitrator, who shall hear and decide the grievance.

**Subd. 3. Representation.** Either party may be represented at the Arbitration Hearing by such person(s) as the Board and the Union may designate.

**Subd. 4. Hearing.** The grievance shall be heard by a single arbitrator, and both parties may be represented by such person or persons as they may choose and designate. The parties shall have the right to a hearing, at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator.

**Subd. 5. Decision.** Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties; subject, however, to the limitations of arbitration decisions as provided in the P.E.L.R.A.

**Subd. 6. Fees and Expenses.** Fees and expenses of the arbitrator shall be shared by both parties as described in 179 A.16, Subd. 8 of the law.

**Section 8. No Reprisals.** No reprisals shall be taken by either party or by any member of the administration, by any party of interest, any school representative, or any other participant in the grievance procedure by reason of such participation.

**ARTICLE 14 – SENIORITY**

**Section 1. Probation.** The first six (6) months of employment shall be considered a probationary period. During such probationary period an employee shall have no recourse if discharged by the District and cannot apply for any job posting. Not more than 6 days absence for any reason shall be credited for the purpose computing the probationary period, the employee shall be entitled to seniority standing from most recent date of hire by the District.

Upon transfer from one position to another, the School District shall, at its discretion, have a sixty (60) working days probationary period for the
employee in the new position. Such probationary period may be extended to six (6) months by written agreement by the Union and the School District.

During such period, the employee may be returned to his/her former position for reasons, which will include inability to perform job requirements and/or meet performance standards, as determined by the School District.

Section 2. Seniority.

Subd. 1. Loss of Seniority. Seniority shall be lost by any of the following:

A. Voluntary quit.
B. Discharge.
C. Failure to report for work within ten (10) working days of mailing notification of recall from layoff.
D. Layoff for more than twelve (12) months.

Subd. 2. Promotional Seniority. If an employee is assigned to a supervisory position with the School District that employee will retain their bargaining unit/classification seniority at the time of their promotion for 24 months, but shall not earn additional seniority time. The 24 months may be extended by mutual agreement of the School District and the Union but under no circumstances will the time exceed five (5) calendar years.

Section 3. Layoff.

Subd. 1. Definitions.

• Classification Seniority. The length of service an employee has served in a particular classification.

• Notification. In the event lay-off becomes necessary the School District shall notify the Union office and the employees involved at the earliest opportunity.

• Lay Off. In the event of a lay-off it shall be by classification. The employee with the least seniority in a particular classification shall be considered for lay-off first. When a position is eliminated the employee
in that position shall have the right to bump (displace) any employee in
the same classification with less seniority or any employee in a lower
classification who has less unit seniority. An employee in a lower
classification who is laid-off shall not have the right to bump (displace)
an employee with less seniority in a higher classification.

- **Temporary Lay-Off.** This section does not apply in those cases where a
lay-off is due to a building being closed temporarily because of
equipment breakdown, quarantine, loss of a utility or damages from
natural or unnatural disasters.

**Section 4. Transfers, Assignments, and Reassignments.**

**Subd. 1. Posting of Available Positions.** Whenever a maintenance
engineer position becomes available, the Board shall post, for a
minimum of five (5) working days, notice of that available position.
Current employees will be considered for open positions before the
position is filled by an outside applicant.

The posting shall be made in each building, with a copy to the Union.

Each posting shall indicate the date such notice is posted and the date
the posting expires.

**Subd. 2. Application for Available Positions.**

**Application.** Maintenance engineers and custodians may apply for a
transfer, assignment, or reassignment to an available position provided
they make written application prior to the expiration date of the notice.

**Consideration of Applicants.** The Board will consider all timely requests
for transfer, assignment, or reassignment, and applications before filling
any vacancy with an outside applicant, but reserves the right to make
the final determination of selection of personnel for all positions.

**Notification.** The Board will notify the maintenance engineer in writing if
his/her application for a transfer, assignment, or reassignment is
approved or denied as soon as the decision is made. If the application has
been denied, the written notice will include the reason(s) for the denial.
Transfers. Transfers due to temporary organizational changes, difficulties in the employee's employment, and physical or mental inability to perform duties may be made by the Board for cause without the employee's consent.

If a situation should occur where there is cause for an employee to be transferred, the Board shall notify the employee involved in writing with a copy to the Union, of the specific reasons why a transfer is necessary.

Written Reasons not Subject to Grievance or Arbitration. The written reason(s) for denial of transfer, assignment, or reassignment shall not be subject to the grievance procedure nor to arbitration.

A maintenance engineer who is not granted a transfer, assignment, or reassignment for which application has been made, shall have the option of bringing the matter first to the principal(s) involved, then to the superintendent, and then to the Board.

The Board shall have the right to make the final determination the matter of transfers, assignments, and reassignments.

Section 5. Seniority List. The Employer agrees to prepare and post a seniority list covering all employees in the classifications covered by the Agreement. The seniority list shall be prepared and posted every year on July 1st. Unless a written and dated statement challenging the seniority standing of any employee is filed within fifteen (15) working days after the date the seniority list is posted, the seniority standing of the employees as shown on such seniority list shall be deemed to be correct and not subject to change until the following July 1st.

The Union Steward shall be furnished in July of each year a current list of employees in the bargaining unit showing their date of hire and position held.

Section 6. Seniority Ties. In the event more than one employee has the same seniority date, seniority ranking shall be determined by a random drawing conducted by the Union. The School District shall have the right to have a representative present during the drawing.
Section 7. Reinstatement Rights. Only employees who have completed their six (6) month probationary employment shall have reinstatement rights.

Reinstatement shall be in the inverse order of layoff. Last laid off shall be first to be reinstated. Reinstatement rights for an employee placed on layoff shall continue for a period of twelve (12) months.

Section 8. Notification for Purposes of Reinstatement.

Subd. 1. Employee Registration. When placed on layoff, an employee shall file his/her name and address with the District Personnel office, to which recall or availability of position shall be mailed.

Proof of service by the person in the District depositing in the mail such a notice to the employee at the last known address shall be sufficient, and it shall be the responsibility of the employee on un requested leave to provide for forwarding of mail or for address change. Failure of a notice to reach an employee shall not be the responsibility of the District if any notice has been mailed as provided herein.

Subd. 2. District Notification of Position and Employee Response. If a position becomes available for an employee on layoff, the District shall notify the employee by certified mail. The employee shall have 10 days from the date of mailing of such notice to accept the re-employment. If written acceptance is not received by the Board within such 10-day period, it shall constitute waiver of the part of the employee to any further rights of employment or reinstatement and shall forfeit any future reinstatement or employment rights.

ARTICLE 15 – DISCIPLINE

Employees shall be disciplined according to the District’s disciplinary policy. Employees shall be given the opportunity to have Union representation whenever discipline is administered.
ARTICLE 16 – COPY OF AGREEMENT

Section 1. Publication. A copy of this Agreement shall be maintained by the Superintendent for perusal by prospective employees prior to employment. A copy of this Agreement shall be presented to each new employee at the time of employment.

Section 1. Terms and Reopening Negotiations. This Agreement shall remain in full force and effect for a period commencing July 1, 2017 through June 30, 2020, and thereafter until modifications are made pursuant to the P.E.L.R.A. If either party desires to modify or amend this Agreement commencing on July 1, 2020, it shall give written notice of such intent no later than May 1, 2020. Unless otherwise mutually agreed, the parties shall not commence negotiations more than 90 days prior to the expiration of this Agreement.

Section 2. Effect. This Agreement constitutes the full and complete Agreement relating to terms and conditions of employment and supersedes any and all prior Agreements, resolutions, practices, District policies, rules, and regulations concerning terms and conditions of employment inconsistent with these provisions.

Section 3. Finality. Any matters relating to the current contract form, whether or not referred to in this Agreement, shall not be open for negotiation during the term of this Agreement.
